**PUBLIC NOTICE F11- 3424**

The Mississippi Commission on Wildlife, Fisheries and Parks at a meeting in Jackson, Mississippi on January 18, 2006, under authority of Section 25-43-7, Mississippi Code of 1972, made known its intent to adopt the following size and creel limits on sport fish and lake closures/openings. This was done under authority of Sections 49-7-41 and 49-1-29, Mississippi Code of 1972.

Be it ordered that Public Notice F10-3424 is hereby amended and all regulations below are adopted.

Statewide creel limits on game and sport fish are as follows:

<b>Species</b>	<b>Creel Per Day</b>
Black Bass (combined largemouth, spotted and smallmouth)	10
Sauger	15
Walleye	3
Striped Bass and Hybrids with 15" minimum size	3 *
Crappie (combined black and white)	30 *
Bream (combined bluegill, redear and other sunfish)	100
Alligator Gar	2
Paddlefish	2**

\* Creel limits for crappie, striped bass and it's hybrids in waters adjoining adjacent states shall be that of the adjacent states, or the Mississippi limit, whichever is greater.

\*\* No paddlefish harvest allowed in the Tenn-Tom Waterway, Tombigbee River or its tributaries.

Harvest and possession of all sturgeon species (Alabama, Atlantic, Pallid and Shovelnose) are prohibited in all Mississippi waters.

Be it ordered that the correct method for measuring fish and the definitions for length limits are as follows:

Correct Method for Measuring Fish Length

Fish measurements for length limit regulations shall be taken with the total length being measured using a flatboard with fish mouth closed and tail squeezed together to give the maximum over-all measurement.

Minimum Length Limit (MLL)

All fish on or less than the regulated size length in inches must be returned to the water immediately after capture and may not be in possession on the designated waters. All fish over the minimum length limit in total length may be kept not to exceed the legal daily creel limit.

Slot Length Limit (SLL)

All fish on or between the designated range of lengths in inches must be returned to the water immediately upon capture and may not be in possession on designated waters. All fish shorter than the lowest length limit and all fish longer than the highest length limit may be kept not to exceed the legal daily creel limit.

Be it further ordered until such time that it is amended by the Commission, the following MLL and creel limit regulations shall be in effect for crappie (combined black and white crappie):

Lake	County	Length Limit	Creel Limit
Sardis Lake	Lafayette, Marshall, Panola	10" MLL	30
